“ What's the best method to organize? *DECENTRALIZED COMMAND*

“ What is decentralized command? It means we act as a whole, an enormous group of us made by smaller independent cells all working towards the same goal.

“ It means you become leader of your own small group, vetted by you so you can safely share information and organize.

🔴 DON'T ORGANIZE IN POSTS WHERE EVERYONE CAN SEE YOUR HOTEL, MEET UP POINTS, ETC 🔴

“ How to communicate safely? You need two apps 1: SIGNAL (encrypted communications) and 2: TEXTNOW (get a NEW free phone number) you can also use another app similar to TEXTNOW like TALKATONE or TEXTME.

“ STEPS:

1. Make a TEXTME account, get a free phone number
2. Make a SIGNAL account with your new number(🔴DON'T USE YOUR REAL #🔴)
 - if you don't receive a confirmation code, wait 50 seconds and request a call.

“ Congrats. You have a phone number they can't track in a secure encrypted channel they can't spy on. 🔴

Hope this is helpful for the people watching. Regardless, you just need to show up... and don't bring your kids, it's gonna be wild.

And remember your oath:

I pledge allegiance to my Flag and the Republic for which it stands, one nation, under God, indivisible, with liberty and justice for all.

2 Sorry, but you left out “ under God “ in the pledge. Hope that was an over site.

2 Pede, I appreciate the post. My family and I are discussing and might be there on the 6th. You kind of butchered the pledge, especially leaving “under God” out. Please edit.
